by Bob Dylan

I love you more than ever, more than time and more
than love,
I love you more than money and more than the stars
above,
Love you more than madness, more than waves upon
the sea,
Love you more than life itself, you mean that much to
me.

Ever since you walked right in, the circle's been
complete,
I've said goodbye to haunted rooms and faces in the
street,
To the courtyard of the jester which is hidden from the
sun,
I love you more than ever and I haven't yet begun.

You breathed on me and made my life a richer one to
live,
When I was deep in poverty you taught me how to give,
Dried the tears up from my dreams and pulled me
from the hole,
Quenched my thirst and satisfied the burning in my
soul.

You gave me babies one, two, three, what is more, you
saved my life,
Eye for eye and tooth for tooth, your love cuts like a
knife,
My thoughts of you don't ever rest, they'd kill me if I lie,
I'd sacrifice the world for you and watch my senses die.

The tune that is yours and mine to play upon this earth,
We'll play it out the best we know, whatever it is worth,
What's lost is lost, we can't regain what went down in
the flood,
But happiness to me is you and I love you more than
blood.

It's never been my duty to remake the world at large,
Nor is it my intention to sound a battle charge,
'Cause I love you more than all of that with a love that
doesn't bend,
And if there is eternity I'd love you there again.

Oh, can't you see that you were born to stand by my
side
And I was born to be with you, you were born to be my
bride,
You're the other half of what I am, you're the missing
piece
And I love you more than ever with that love that
doesn't cease.

You turn the tide on me each day and teach my eyes to
see,
Just bein' next to you is a natural thing for me
And I could never let you go, no matter what goes on,
'Cause I love you more than ever now that the past is
gone.
