by Bob Dylan

Our conversation was short and sweet  
It nearly swept me off-a my feet.  
And I'm back in the rain, oh, oh,  
And you are on dry land.  
You made it there somehow  
You're a big girl now.

Bird on the horizon, sittin' on a fence,  
He's singin' his song for me at his own expense.  
And I'm just like that bird, oh, oh,  
Singin' just for you.  
I hope that you can hear,  
Hear me singin' through these tears.

Time is a jet plane, it moves too fast  
Oh, but what a shame if all we've shared can't last.  
I can change, I swear, oh, oh,  
See what you can do.  
I can make it through,  
You can make it too.

Love is so simple, to quote a phrase,  
You've known it all the time, I'm learnin' it these days.  
Oh, I know where I can find you, oh, oh,  
In somebody's room.  
It's a price I have to pay  
You're a big girl all the way.

A change in the weather is known to be extreme  
But what's the sense of changing horses in midstream?  
I'm going out of my mind, oh, oh,  
With a pain that stops and starts  
Like a corkscrew to my heart Ever since we've been  
apart.
