(feat. Pimpin' Young & Nate Dogg)

It's 15 minutes to five

Four to four

My boss parked right outside

Don't have ... to go

I knew this one night stand

What i didn't know

She pick her boyfriend out

The boy moved in next door

Yee bitch talking about

Yee a live here by my self

My sister watchis my keys

You can just go

Kick it that ...

Had a bottle of martiny

Stucking in back yard smoking a cigarette

Ooo look this must be your kid

That's my son

When he said that

And 'aint never be a type ...rushing first

This mother fuckers

Fucking her

All my past out

Nigga have ...to have a t-shirt off when his taking the trash out

It's 15 minutes to five

Four to four

My boss parked right outside

Don't have ... to go

I knew this one night stand

What i didn't know

She pick her boyfriend out

The boy moved in next door

And this bitch thinks i was pimping

And she was using that miracle

When i dissmiss the firs of all

Put my feed up on my couch

It was 15 minutes to five

Ooo bitch you know you almost your dead and gone

She try to put her pussy on my face

She did wrong
It's 15 minutes to five
Four to four
My boss parked right outside
Don't have ... to go
I knew this one night stand
What i didn't know
She pick her boyfriend out
The boy moved in next door
And i don't know if you done this before mister
But you never put .. on your nuts
And I normaly go
Ant the first thing she always say
When I walk at the door
Penny it's on the bathroom floor
And i thought ... throw my mind
Dirty fucking hore
So fuck that now
Fuck the bitch so good
She couldn's ... finelly left up in my kichen
Fucking kitchen
I said men she just suck my dick
I know she will suck mine next
They way that you love me it's got me twist
It's 15 minutes to five
Four to four
My boss parked right outside
Don't have ... to go
I knew this one night stand
What i didn't know
She pick her boyfriend out
The boy moved in next door
It's 15 minutes to five
Four to four
My boss parked right outside
Don't have ... to go
I knew this one night stand
What i didn't know
She pick her boyfriend out
The boy moved in next door
It's something about the way you
The way that you love me
You got me twist it
It's something about the way you
The way that you love me
You got me twist it
It's something about the way you
The way that you love me
You got me twist it
The way you love me
Twist me

The way you love me
Twist me
