Whatcha gonna do? Do you wanna get out?  
Whatcha gonna do? Baby  
Do you wanna get out? Tell me  
Whatcha gonna do? Do you wanna get out?  
Whatcha gonna do? Do you wanna get out?

I'd rather give you my bitch pay attention  
I'd rather give you my bitch  
I'd rather give you my bitch then to let you breathe  
On my last bit of indo smoke  
I'd rather give you my bitch tonight

You wanna hit my joint but I'd rather let you fuck my  
bitch  
Suck her tits and she'll suck yo dick  
And sense 1 mans trash is another mans treasure  
You gets no part of my weed but you can have my bitch  
heather  
She like every other bitch I get  
I'd rather give you my bitch, my whole bitch, and  
nothing but my bitch

'Cause anybody that can bleed for 5 days and don't die  
Plus develop an attitude, go to sleep wake up  
And look at me dead in my eyes, ain't for me playa  
Oh, nah, maybe for you  
Suga fide that sleaze walkin' bitch I thought you knew  
who I'm true

I gotta get mine, I wanna get mine, I need to get mine  
I'm wasting my time  
'Cause playa's do what they want to, yeah  
And suckers do what they can  
You, you, can't, can't, gat, gat, me me, bitch

I love being rich  
I wantcha but I don't needcha  
Let your momma tell ya how ta make a nigga please ya  
Not knowin' that I'm 10 steps ahead of Lisa  
And the bull so she's runnin' against the grain, what?

I'd rather give you my bitch, then to let you breathe

On my last bit of indo smoke  
I'd rather give you my bitch, then to let you breathe  
again, breathe again  
I'd rather give you my bitch what 'cause you been  
trickin'  
You be thinkin' with your dick and shit bitch  
I'd rather give you my bitch ta tonight

Hi, ho, silver  
Bitch, if you look at me like that again, oh, I'm subject  
ta kill ya  
'Cause love ain't nothin' but 2 people feelin' sorry for  
each other  
Then hittin' divorce court to pay child support to your  
baby's mother  
Here comes the sheriff knockin' at my front door  
With a warrant for my arrest 'cause I refuse to pay a  
hoe

Shit, ain't no pussy good enough for me to split have  
my shit  
I wouldn't give a squirt of piss to save a broke bitch  
Gimme this, gimme that, do you got, can I have  
That's all I hear bitch I'll beat your ass  
I bet I'll never hear a bitch say she's broke  
As long as she's got some pussy with some ass and a  
deep throat

And ooo-eee  
It ain't a bitch breathing today that can do me  
She use ta be a sweet taste in my mouth  
But now I want to knock her motherfucking ass out  
I ain't ready to fuck I stick my dick in your throat  
Pay me and pay me no attention bitch 'cause I'ma keep  
the growth

Fuck that girlfriend bitch you need a nasty hoe  
So she work that cunt until she can't no, mo'  
Yeah, hey DJ Quik beat this shit, back  
I got a brand new back flap that'll park her like ah  
Cadillac  
Now be a man nigga check that bitch  
And if you smell something stankin' tha's me 'cause I  
be shittin'

I'd rather give you my bitch, then to let you breathe  
On my last bit of indo smoke  
I'd rather give you my bitch, then to let you breathe  
again, breathe again  
I'd rather give you my bitch, what? 'Cause you been  
trickin'

You be thinkin' with your dick and shit bitch  
I'd rather give you my bitch, ta tonight

Little 'c', beninjaren, and termintes, Charlie Mack

Mountian flem, down 1, crazy 't', little sim  
'D' mack, gangster dirt, elbo, ray dog, 'g' wood  
And baby insane pimp this mack  
See I could be broke as a joke sayin'

Hey, homie can I get you ta sell some of your smoke  
And could you ta sell me some of that drink,glug, glug  
But I bang, bang, chitty, chitty  
Lips, hips, fingertips, ass and titties  
Now, ah ha, schooled you  
And that's how we do it in pamona fo'

I left ha  
Ol' monkey mouth toe up ass raggedy Heather  
Bitch you lookin' like somebody dug you up, and  
drugged you up  
And stood you up, and fucked you up  
Nah, still the mind and the body must follow  
Now she ride around her mouth wantin' dick to swallow  
And right before I go, please donate my brain to  
Captain Save ah, hoe

I'd rather give you my bitch, I'd rather give you my  
bitch  
I'd rather give you my bitch, then to let you breathe  
On the shorts of my indo smoke  
I'd rather give you my bitch, then to let you breathe  
again, breathe again  
I'd rather give you my bitch, what? 'Cause you been  
trickin'  
You be thinkin' with your dick and shit bitch  
I'd rather give you my bitch, ta, tonight

I'd rather give you my bitch, I'd rather give you my  
bitch  
I'd rather give you my bitch, then to let you breathe  
On my last bit of indo smoke  
I'd rather give you my bitch, ta tonight

I'd rather give you my bitch  
I'd rather give you my bitch  
I'd rather give you my bitch

I'd rather give you my bitch

I'd rather give you my bitch
