Verse 1

Ok, baby you sayin that to say what?
Uh uh that's drama no, no,
U didn't pick that shit up from yo mama
Now I... ain't... fenna break nann finger nail
Goin oops upside yo head
Yea I love you, baby... but not like that
Yo love ain't never paid my bills or put no clothes on my
back,
Wait, what do you see said the blind man
Who heard the deaf man said he saw Suga Free just
dropped the bomb and it
Went Boo-Yah!
Then, when I'm feelin them years 2025, feelings I
move... in a real way
Now, sometimes I like a nice, hot, proper, hairy... head
full of sweat from
Sex
On the couch first... and when it start feelin good, you
always stop and
Say "Mmm no more I'm hurtin"... And them chi'ren...
Baby got kids so bad
They'll piss you to the highest level of pestivity runnin
they mouth
Smellin' like urine
Don't hurt the pimpin' baby...
Oh what we don't know each other no more
Cuz instead of a girlfriend I'd rather have a ho,
Won't catch me holdin hands, kickin cans,
Walkin a tight rope sayin she loves me,
She loves me not, man...

(Chorus)

I can be on my way, on my way
On... my way

(Suga Free Talking)

I swear to tell the truth, the whole truth
And nuthin' but the truth so help me god...

(Chorus)

(Suga Free talking)
Because the name of the game is
Cop n' blow...

(Chorus)

(Suga Free Talking)
This time don't leave nuthin' so don't have
To come back home and get it...

(Chorus)

(Suga Free talking)
Yea I know that's you callin, hangin up,
Puttin 187 on the pager...

Verse 2

Wait, no who the hell you talkin to
Always cryin 'bout what I do and don't do for you... now
that's yo problem
Always bringin up the past
If I wasn't on parol, I woulda kicked yo ass
Cuz she lookin for a sucka in a, wrong place
She doesn't know it but a playa get, lonely
But that don't mean I have ask you phony, cuz all you
got to offer is yo
Punanay...
Uh uh, nah what you got yo hands out in my face for...
oh you doin too
Much, wronger than two left shoes, but you don't know,
And I got it (got it) out yo house
Cuz I be hungry and all you had was one
Potato with fringes growin' out of it,
I'm 24, right? But in dog years let me see
For every 1 human year that's 7 years for
A dog follow me...
So 7 times 24, wait 7 times 4 is 28,
Carry the 2 alright, I got to figure out 168...
And it's shame that we can't do lunch,
Cuz you get all roud until I say baby,
Don't get yo panties in a bunch,
And just like jolly rancher candy, the same way I peeled
off that plastic
Wrapper,
Is the same I peeled off baby's panties...

(Chorus)

(Suga Free talking)

No, No give me them keys,
You leavin' in a cab today, baby...

(Chorus)

(Suga Free talking)
No, No don't go lookin' up in that closet,
Cuz u ain't got nuthin' up there...

(Chorus)

(Suga Free talking)
Yea, Don't be callin' my mama house
Pesterin' everybody either...

(Chorus)

(Suga Free talking)
Uh uh, nah I'll come see my son, mama
Don't be poppin' up over here...

(Chorus)

(Suga Free talking)
Wait, wait take off that watch, that necklace, them
rings... that belongs
To her now...

(Chorus)

(Suga Free talking)
Oh and before you go, quit blowin'
Up my pager 911 just to see what I'm doin'...

Chorus to fade
