yesterday, I called an old friend in l.a. we laughed for  
hours about =  
those days anyway, he's doing fine I'm glad to say it's  
funny, some =  
things never change my dreams fade, but my  
memories are saved like the =  
lion, they are brave what have I become? it's either all  
or none I never =  
wanted anything from this world but love will I  
overcome? or will it =  
leave me feeling numb? I never wanted anything from  
the world but love =  
destiny, I think mine's leading me astray I'm on the  
tracks, here comes =

the train I can't complain, life's been good to me these  
days I guess =  
I'll just fade away
