We made love until we cried and cried ourselves to
laughter
Laughed until we realise our hearts were struck were
fear
How in just a moment time could one see for ever after
I gently lie beside of you and dream away with my
tears

Won't you let me treat you kind
We're gonna burn to shine
Won't you let me treat you kind
We're gonna burn to shine

Funny things you learn from your mama
Like the way you throw your head back when
swallowing pills
Funny things you learn from your papa
Like when you're talking you just can't keep your hands
still
But that was now and this is then it never lasts for long
How I miss the good old days but I'm so glad they're
gone

Won't you let me treat you kind
We're gonna burn to shine
Won't you let me treat you kind
We're gonna burn to shine

I'd like to spend the time that you would like to spend
with me
So you could help me out with my dependancy
'Cause I'm hopelessly addicted, addicted to your sorrow
Makes me never wanna work, beg or borrow

Won't you let me treat you kind
We're gonna burn to shine
Won't you let me treat you kind
We're gonna burn to shine
Won't you let me treat you kind
We're gonna burn to shine
Won't you let me treat you kind

We're gonna burn to shine
