Jesus is on that mainline, tell him what you want.
Jesus is on that mainline, tell him what you want.
Jesus is on that mainline, tell him what you want.
You gotta call him up and tell him what you want.

If you're sick and you want to get well, tell him what you want.
If you're sick and you want to get well, tell him what you want.
If you're sick and you want to get well, tell him what you want.
You gotta call him up and tell him what you want.

If you're sick and you want to get well, tell him what you want.
If you're sick and you want to get well, tell him what you want.
If you're sick and you want to get well, tell him what you want.
You gotta call him up and tell him what you want.

If you want and you can't --, tell him what you want.
If you want and you can't --, tell him what you want.
If you want and you can't --, tell him what you want.
You gotta call him up and tell him what you want.

Jesus is on that mainline, tell him what you want.
Jesus is on that mainline, tell him what you want.
Jesus is on that mainline, tell him what you want.
You gotta call him up and tell him what you want.

Jesus is on that mainline, tell him what you want.
Jesus is on that mainline, tell him what you want.
Jesus is on that mainline, tell him what you want.
You gotta call him up and tell him what you want.
