I put into Nashville, Tennessee
But you wouldn't even come around to see me
And since your headin' up to Carolina
You know I gonna be right there behind you

And I always have to steal my kisses from you
Always have to steal my kisses from you
Always have to steal my kisses from you
I always have to steal my kisses from you

Now I love to feel that warm southern rain
Just to hear it fall is the sweetest sounding things
And to see it fall on your simple country dress
It's like heaven to me I must confess

And I always have to steal my kisses from you
Always have to steal my kisses from you
Always have to steal my kisses from you
I always have to steal my kisses from you

Now I've been hangin around you for days
But when I'm leanin you just turn your head away
I know you didn't mean that
She said I love the way you think but I hate the way you
act

And I always have to steal my kisses from you
Always have to steal my kisses from you
Always have to steal my kisses from you
Always have to steal my kisses from you
Always have to steal my kisses from you
Always have to steal my kisses from you
Always have to steal my kisses from you
Always have to steal my kisses from you
