Oh no  
here comes that sun again  
that means another day  
without you my friend  
And it hurts me  
to look into the mirror at myself  
and it hurts even more  
to have to be with somebody else  
and it's so hard to do  
and so easy to stay  
but sometimes  
sometimes you just have to walk away  
walk away  
With so many people  
to love in my life  
why do I worry  
about one  
But you put the happy  
in my ness  
you put the good times  
into my fun  
and it's so hard to do  
and so easy to stay  
but sometimes  
sometimes you just have to walk away  
walk away  
and head for the door  
We've tried the goodbye  
so many days  
we walk in the same direction  
so that we could never stray  
they say if you love somebody  
than you have got to set them free  
but I would rather be locked to you  
than live in this pain and misery  
They say time will  
make all this go away  
but it's time that has taken my tomorrows  
and turned them into yesterdays  
and once again you my friend  
are nowhere to be found

and it's so hard to do  
and so easy to stay  
but sometimes  
sometimes you just have to walk away  
walk away  
and head for the door  
you just walk away  
walk away
