Well you can need me  
well I want you to  
and you can feed me  
how I like that too  
but don't you lead me  
I won't follow you  
listen here  
I don't fear  
I don't want to be your  
whipping boy  
You can tease me  
how I want you to  
and you can squeeze me  
baby I like that too  
but don't you lead me  
I won't follow you  
listen here  
I don't fear  
I don't want to be your  
whipping boy  
You can hold me  
baby I want you to  
and you can scold me  
yes I like that too  
but don't you lead me  
I won't follow you  
listen here  
I don't fear  
I don't want to be your  
whipping boy  
Well you can need me  
well I want you to  
and you can feed me  
baby I like that too  
but don't you lead me  
I won't follow you  
listen here  
I don't fear  
I don't want to be your  
whipping boy
