I dig love
I dig love
I dig love

I dig love in the morning
I dig love in the evening
I dig love, and I want you to know
I dig love

I love dig
I love dig
I love dig

I love dig in the morning
I love dig in the evening
I need love, and I want you to know,
I dig love

So, don't dig love, I don't care love
Don't give love to me
I put my love anywhere, love
C'mon and get it, it's free

I dig love
I dig love
I dig love
I dig love in the morning
I dig love in the evening
I dig love, but I want you to know
I dig love

Oh my love's always there, love, always there to see
Make love, take love, but you should give love
Try to let love, c'mon that's the way it should be

I dig love
I dig love
I dig love
I dig love in the morning
I dig love in the evening
I dig love, and I want you to know

I dig love, and I want you to know
I dig love, and I want you to know
I dig love
