If not for you  
Babe, I couldn't even find the door  
I couldn't even see the floor  
Oh, I'd be sad and blue  
If not for you

If not for you  
Babe, I couldn't sleep while wide awake  
Well, it would forever surely play  
If not for you  
If not for you

If not for you my sky would fall  
Rain would gather, too  
Without your love I'd be nowhere at all  
I'd be lost if not for you

If not for you  
The winter would hold no spring  
I couldn't hear a robin sing  
I just wouldn't have a clue  
If not for you

If not for you my sky would fall  
Rain would gather, too  
Without your love I'd be nowhere at all  
I'd be lost if not for you

If not for you  
The winter would hold no spring  
I couldn't hear a robin sing  
I just wouldn't have a clue  
If not for you  
If not for you
