What I feel I can't say
But my love is there for you anytime of day
If it's a love that you need
Then I'll try my best to make everything so sweet

So tell me,
What is my life without your love?
So tell me,
Who am I without you
By my side?

What I know I can't do
If I give my love to everyone like you
It's a love that you need
Then I'll try my best to make everything so sweet

So tell me,
What is my life without your love?
So tell me,
Who am I without you
By my side?

So tell me,
What is my life without your love?
So tell me,
Who am I without you
By my side?

What I feel I can't say
But my love is there for you anytime of day
If it's a love that you need
Then I'll try my best to make everything so sweet

So tell me,
What is my life without your love?
So tell me,
Who am I without you
By my side?

So tell me,
What is my life without your love?

So tell me,
Who am I without you
By my side?

What is my life without your love?
So tell me,
Who am I without you
By my side?
