If cops and kings were geared with wings They'd never learn to fly They're too concerned with rules That govern no one

I don't need blind politics Or nimble flicks Or Lucite telephones That click when dialing, but I need you

Who would I want if I didn't want you? Who would I love if you didn't care? Who would I love if I didn't love you? If I didn't love you I wouldn't love anyone

So say goodbye to politics And nimble flicks And Lucite telephones That click when dialing, it's easy
