Spendin night all together  
At my house in my room  
We're talking about our friendship and how it all  
started  
And everytime we're just crazy  
Calling ourselves total weird  
And everything I need is right here by my side  
And I don't want this to end  
I need you and you need me  
Sarah jokes and we laugh out  
Stephanie and Haare writes songs for Happy and  
Sugar, yeah  
When Sheena and Misaki screams  
It's louder the the radio playin our faveorate song  
We might fight but we still have fun  
It's rare to do these kind of things  
Only once or twice a year  
But we never forget all the fun we had  
It's amazing how we could  
Remember these crazy things  
I can't ask for a better friend then you  
And I don't want time to end  
I need you and you need me  
Sarah jokes and we laugh out  
Stephanie and Haare writes songs for Happy and  
Sugar, yeah  
When Sheena and Misaki screams  
It's louder the the radio playin our faveorate song  
We might fight but we still have fun  
When I'm standing here alone  
It's so hard to have much fun  
You make me smile  
Sarah jokes and we laugh out  
Stephanie and Haare writes songs for Happy and  
Sugar, yeah  
When Sheena and Misaki screams  
It's louder the the radio playin our faveorate song  
We might fight but we still have fun
