strange fear i ain't felt for years
the boys come and now i'm close to tears
i cant let go of you now
imagination's playin' out for free
in my world i take him out for tea
oh my god he can't say no
skippin' school gone walk for air
i just had to get out of there
i'm on overload in my head
train comes i don't know its destination
its a one way ticket to a madman situation
train comes i don't know its destination
its a one way ticket to a madman situation
life in a dream time does come true
and in my sleep i think of you
feather bed by myself
basically probability
says a face gone side with me
it's been so long on my shelf
train comes i don't know its destination
its a one way ticket to a mad man situation
train comes i don't know its destination
its a one way ticket to a mad man situation
the tension is incredible
boy i'm in charge
you know how i feel for you
when you stop or when you just keep going
please don't say no no no
train comes i don't know its destination
its a one way ticket to a mad man situation
train comes i don't know its destination
its a one way ticket to a mad man situation
train comes i don't know its destination
its a one way ticket to a mad man situation.....
