"Freak Like Me"

Let me lay it on the line
I've gotta little freakiness inside
And you know that a man's gotta deal with it
I don't care what they say
I'm not about to pay nobody's way
'Cuz it' all about the dog in me

I wanna freak in the morning
Freak in the evening
(just like me)
I need a roughneck brother that can satisfy me
(just for me)
If you are that kind of man
'Cos I'm that kind of girl
I've gotta freaky secret
Everybody sing
'Cos we don't give a damn about a thing

'Cos I will be your freak until the day until the dawn
(Pump, pump)
And we can...all through the night to the early morn
Come on and I will take you round the hood on a
gangster lean
(Pump, pump)
'Coz we can...anytime of day it's all-good for me

Boy you're moving kinda slow
You gotta keep it up now there you go
That's just one thing that a man must do,hmm
I'm packing all the flava's you need
I got you shook up on your knee's
'Cos it's all about the dog in me

[Repeat chorus til fade]
