Going home, where to go  
Where the whole thing started  
And you know  
Going back won't be fun forever

As you go, hasn't been forever  
Going home, leaving home forever

Face the door start to crawl  
Like you were a baby  
Going home to a home you left  
And vowed you'd never be

Going home, this was for someone else  
Time to go, you can't stay here any more

Find some things from the past  
That you thought were missing  
Pack them up as you go back  
To the life you're leading now

Going home, I can't stay forever  
Got to go, back to where I came from

I don't know where to go  
With so few possessions  
They stay home as I go back  
To where I came from
