You look into my eyes
I go out of my mind
I can't see anything
Coz this loves got me blind
I can't help myself
I can't break the spell
I can't even try

I'm in over my head
You got under my skin
I've got no strength at all
In the state that I'm in
And my knees are weak
And my mouth can't speak
Fell to far this time

Baby I'm too lost in you
Caught in you
Lost in
Everythin abut you so deep
I can't sleep
I can't think
I just
Think about the things that you do
You do
I'm too lost in you

Too lost in you

Well you whisper to me
And I shiver inside
You until me you moved me
In ways undefined
And your all I see
And your all I need

Help me baby, help me baby

Help me now

Cause I'm slippin away

Like the sand to the tide
Flowing into your arms
Fallin into your eyes

If you get to near
I might disapear
I might lose my mihind

Baby I'm too lost in you
Caught in you
Lost in
Everythin abut you so deep
I can't sleep
I can't think
I just
Think about the things that you do
You do
I'm too lost in you

Too lost in you

I'm goin craaazy in love for you baby
(I can breathe and I can't sleep)
I'm going down like a storm in the sea

Noone can rescue me

My baby

Ohhhh baby baby baby

Baby I'm too lost in you
Caught in you
Lost in
Everythin abut you so deep
I can't sleep
I can't think
I just
Think about the things that you do
You do
I'm too lost in you

I'm lost in you x2

I'm lost in everything about you
So deep
I can't sleep
I can't think
I just
Think about the things that you do
You do

I'm too lost in you

Too lost in you
