Round, round baby round, round  
Spend the night on me  
I don't need no man  
Realise the vibe gonna be down low  
I don't need nobody got my honeys  
When I go  
Round, baby round round  
Spend the night on me  
I don't need no man  
Got my kicks for free  
(Free free free free)

When your still in my face  
You're messing with my brain  
If you're trying to resist me  
Then you better think again  
If you move to my music  
The music's got to give  
If I'm too complicated  
That's the way I want to live

If you hate me  
I will show you  
How to brain me  
Into something new  
If you want me  
Run away now  
If you stop me  
Then I'll hit the ground  
(Can we go, here we go)

(Repeat \*)

Explanations - no you don't need one  
Having a good time  
Getting down to the fun  
And it's your time  
Just tonight he'll be mine  
And he's gone  
Yeah

People moving, bodies grooving  
Never ending  
Place is moving  
(Don't you worry 'bout a thing all you need is off your  
sting)  
All my girls are here with me  
Worry now they've got their need  
(Do you feel me, do you feel me, do you feel me, do  
you feel me)  
Woo

(Repeat \*)

\*\* Round, baby round round  
Spend the night on me  
I don't need no man  
Got my kicks for free  
Realise the vibe gonna be down low  
I don't need nobody but my honeys  
When I go

Ooh  
Does it hurt, when you see  
How I've done  
Without you  
Thought that I could belong  
Never thought that you could be so cruel  
All you need is some friends  
Won't be by yourself  
Let's go round and round and round and round and r-  
o-u-nd

(Repeat \*,\*\*)

Round, baby when I go  
When I go (when I go)  
When I go (when I go)  
When I go  
When I go round baby  
(When I go) when I go  
(When I go) when I go  
(When I go) when I go  
When I go
