I Touch the sky  
All around, Your eyes  
And who would believe  
What's happening to me?  
Expectations all around,  
My Intuition knows, no bounds  
I could lose my way on this merry-go-round

So I, like a bird will fly,  
To see, Just what could be?  
And patience I will learn,  
Before this fire burns  
Intuitions gotta hold of me,  
There's magic in the air  
I wanna breathe  
Change, change all around  
Go with the rythm

The Soul sound (mmm)  
The Soul sound (mm)  
The Soul sound (mmmm)  
The Soul sound (sound)

So I, like a bird will fly  
To see, Just what could be?  
What could it be, yeah?  
Patience I will learn  
Before this fire burns  
Intuitions gotta hold of me,  
There's magic in the air air  
I wanna breathe  
Change, change all around,  
Just go with the rythm

The Soul sound (mmm)  
The Soul sound (mm)  
The Soul sound (free, free)  
The Soul sound

da na da na, da na da na, ooohhh  
Soul Sound

da na da na, da na da na, daaaa

Wait a minute soul sound.....

ahhhh, ooooooh, ahhhhhh,oooooooooh, ahhhhh, oooh,  
ahhh

The Soul sound (mmm)

The Soul sound (mmm)

The Soul sound (mmm)

The Soul sound (mmm, wait a minute soul sound)

the last sound, Down town, all around, soul sound

the soul sound

wait a minute soul sound

The last sound, Down town, all around, soul sound

Wait a minute soul sound....
