[ Verse 1 ]

DZ-Thrilla, no play  
And I'm real with what a say, hustle all day  
Look at your boi now, who thought I wouldn't make it  
I laugh when I be bruised y'all naked  
Fuck the world if they can't understand the plan  
To exploit to my fans about the man I am  
I've been hated all my life, so it ain't nothin' new  
I strived on, cause I'm scared to lose...NO DOUBT!  
Kats is plottin' and schemin' on their ways they can  
drop me  
But while here, y'all ain't gonna stop  
me...MOTHERFUCKERS!  
If I hate you, then don't try to shake my hand  
And I'm gonna get those who shanked my man  
Label me a Thug Nigga, fuckin' OUTLAW  
And I'm dodgin' these cops like I'm camouflaged...HAHA  
Westcoast baby, but was raised in the East  
So y'all fear the BEAR and THE BEAST  
Fear me not, try me if you're really willin'  
Makin' money off of drug-dealin'  
Motherfuckers wanna see me dead  
They're talkin' their crazy illusions of me shot in the  
head  
First shot they get, they're try'na bust a nigga in the  
chest  
Wanna see me in my last breathe  
We the last real niggas left- BUT A NIGGA

[Chorus]

Still Livin'...

till Llin'...Still Llin'...

And if they kill me, then I'll die a motherfucking G  
(Repeat)

[Verse 2]
