Seven hours since you went away  
11 coffees  
Ricki Lake on play  
But late at night  
When I'm feeling blue  
I'd sell my ass before I'd think of you  
Seven hours since you closed the door  
Started a diet, got a manicure  
Erased your number from the telephone  
And if you call me I won't be at home  
He said

Why don't you cry  
For the guy?  
Said goodbye  
Run away  
Why'd you cry  
For the guy?  
Said goodbye  
I said OK  
Cause

Ooh boy d'ya miss me like a hole in the head?  
Because I do boy  
And it's cool boy and  
Ooh betcha never thought I'd get out of bed  
Because of you boy  
Such a fool boy

11 hours on a brand new day  
I'm getting ready to go out and play  
It's late at night  
I'm caught in a groove  
I'll kiss my ass before I'm feeling blue  
Seven hours what you calling for  
A bunch of flowers  
And I'll slam the door  
You're in my face  
Sorry what's your name  
Takes more than begging  
To reverse my brain

Ooh boy d'ya miss me like a hole in the head?  
Because I do boy  
And it's cool boy and  
Ooh betcha never thought I'd get out of bed  
Because of you boy  
Such a fool boy

Through with it  
Over it  
Not having it  
This crazy #####  
Been feeling this  
Indelicate  
No more, no more  
I'm through with it  
Not having it  
This crazy #####  
Not feeling it  
Can't deal with it  
No more of it  
No more, no more

Breaking off the brunt  
Brand new day has just begun  
Just because you made me go "ooh"  
Doesn't mean I'm running with you  
Don't you dare tear back  
Can't you see I won't take that  
I ain't crying now over you  
Better free your head up  
Like I told you

Why don't you cry  
For the guy?  
Said goodbye  
Run away  
Why don't you cry  
For the guy?  
Said goodbye  
I said OK  
Cause

Ooh boy d'you miss me like a hole in the head?  
Because I do boy  
And it's cool boy and  
Ooh betcha never thought I'd get out of bed  
Because of you boy  
Such a fool boy  
(Such a fool)

Ooh boy d'you miss me like a hole in the head?  
(A hole in the head)  
Because I do boy  
(I do)  
And it's cool boy and  
(It's cool)  
Ooh betcha never thought I'd get out of bed  
(Get out of bed)  
Because of you boy  
(Because I do boy)  
Such a fool boy  
(Such a fool)

Run away  
I said OK cause  
Run away
