strange feelin I ain't felt for years,
the boys comin' and i'm close to tears
i can't let go of you now
imagination's playing out for free
in my word i'll take him out for tea
oh my god he can't say no
skippin' school
gonna walk for air
i just had to get out of there
I'm on overload in my head

[chorus]

Train comes and and I know its destination
its a one way ticket to a mad to man situation
Train comes and I know its destination
its a one way ticket to a mad man situation

life in a dream time does come true
and in my sleep i think of you
therva there by myself
basically probability
sez a this come side with me
its spent so long on my shelf

[chorus]

Train comes and I know its destination
its a one way ticket to a mad man situation
Train comes and I know its destination
its a one way ticket to a mad man situation

[instumental]

the tension is critical
boy i'm in charge
you know how i feel for you
will you stop or will you just keep going?
please don't say no (no no)

Train comes and I know its destination (yeah yeah
yeah)

its a one way ticket to a mad man situation (situation)
Train comes and I know its destination (i know i know)
its a one way ticket to a mad man situation (situation)
Train comes and I know its destination (i'll sleep with
any man)
its a one way ticket to a mad man situation (situation)
Train comes and I know its destination (i know i know)
its a one way ticket to a mad man situation (got me
feeling sad)
