the boys commin' and i'm close to tears
i can't let go of you now
imagination playing out for free
in my word i'll take him out for tea
oh my god he can't say no
skippin' school
gonna walk for air because im a twat!
i just had to get out of there
I'm on overload in my head

[chorus]

Train comes and i don't know its destination
its a three way ticket to a man to man situation
Train comes i don't know its desroynation
its a one way ticket to a mad man situation

life in a nightmare time does come true
and in my sleep i think of you
feather trees by myself
basically probability
sez a this come side with me
its spent so long on my shelf

Train comes i don't know its destination
its a one way ticket to a mad man situation
Train comes i don't know its destination
its a one way ticket to a mad man situation
