Hand me one of them thangs killed John Wayne  
D.E.A. back in this bitch, hmm-hmm, va-room

[E-40]

Hah hah hah hah, fuck around with this nigga Bosko  
He stay mobbin..  
Shall we spit some saliva? Spit some saliva

In and out of the traffic  
Sparkin up a bunch of commotion and static it's a habit  
Bloated twasted loaded tilted when I roll it  
Like the steering wheel on my Deville when I first drove  
it  
Who the caviest and the savviest (?) strikin like a pack  
of matches  
Blood alcohol, lookin like above average  
Money tall player, papered up, ghettofabulous  
You can ball too pimpin just be about your cabbage  
I don't need no iron I'm already creased  
Pistol-whip a bitch with my mouthpiece, paid for hoe  
On my car, fuckin lease  
Strikin through your neighborhood, disturbin peace  
Boogie green Cutlass with the gold feets  
Same colored tint with the bucket seats, beatch!  
All my wife I was raised around killers  
Boy I tell ya - these monkeys don't wanna see no  
gorillas

[Chorus One]

IT'S LIKE A JUNGLE - it's like a jungle sometimes  
IT'S LIKE A JUNGLE - it's like a jungle sometimes  
IT'S LIKE A JUNGLE -  
You know a sea serpent snake in the grass can post up  
lies  
IT'S LIKE A JUNGLE - it's like a jungle sometimes  
IT'S LIKE A JUNGLE - it's like a jungle sometimes  
IT'S LIKE A JUNGLE -  
We play for keeps, so nigga if you feel froggish LEAP!  
Leap nigga! Beotch!

[Young Mugzi]

Chest splitter, game spitter, go getter  
I stay busy like Mighty Joe, the go-rilla  
One hitter quitters if you're it, bump my feet nigga  
I hit the turf, knockin off wall pictures  
Nowadays niggaz can get arrested for reckless  
dressin, attempt to pimp  
But they don't know a broke horse  
and don't know how money makes a pimp pimp  
See I'm like a pimp, I got to be about means  
Twinkied out, with a car full of TV screens  
I mean I'm mean, I boss up for the green  
Hit the scene, and check my runners bout my cream  
One-eighteen, haters wanna cross my dream  
Handicap me, shoot me in the spleen

[Chorus Two]

IT'S LIKE A JUNGLE - it's like a jungle sometimes  
IT'S LIKE A JUNGLE - it's like a jungle sometimes  
IT'S LIKE A JUNGLE -  
If you see me in a fight in the forest with a bear  
don't help me nigga help the bear.. don't help me  
nigga help the bear!  
IT'S LIKE A JUNGLE - it's like a jungle sometimes  
IT'S LIKE A JUNGLE - it's like a jungle sometimes  
IT'S LIKE A JUNGLE -  
Boy I tell ya, these monkeys don't wanna see no  
gorillas  
See no gorillas

[E-40]

Man potnah you ain't from 'round here, you ain't got no  
pass  
Oh you with 40-Water, we can go 'head and let you go  
but next time, it's yo' ass  
Lick you for yo' cash, get you for what you got  
Cause triflin on this side of the soil  
that's all we do is plot  
Seen it, lived it, did it, been in it, done it  
Cooked it, shucked it, sold it, couple hundred  
units a month, dirty white girl  
Baby powder, China white, step-mother pearl  
I'm out of weed, I'm losin my focus (focus)  
Ash tray full of doobies and roaches (roaches)  
In the parking lot rollin a blunt (blunt)  
in the middle of some funk  
Dudes got to dumpin bitches, haulin ass (ass)  
Takin off they pumps, fallin in the grass (grass)  
Cowards flyin everywhere, fools gettin glassed  
while I'm sittin in my Cut' thang, tryin to play  
They fuckin up my shit

[Chorus One]

[Outro - sung]
