No more phone calls  
No more letters  
No more fighting  
And I'm better  
Than I ever felt before

I miss you  
I don't want you  
I don't need you  
And I got to say  
I could not ask for more

But if all that's true  
And it all makes since  
Then I'm okay  
I guess

(Chorus)  
Cause I don't believe in ghosts  
I won't come in superstition  
But something in the air that I can't see  
I swear I feel you breath  
Like you're lying next to me  
If you've really set me free  
Tell me baby where your hiding me yeah

This is crazy  
You're so clever  
Cause baby I would never think  
To do these things you do

Showing up in all my dreams  
Teasing me until I scream  
That I said "I Don't Love You"

That's not fait  
It isn't right  
So give me back my life

(Chorus x1)

I'm afraid to close my eyes at night

Go to bed and turn out the lights  
Never know just what I'm gonna see  
Never know exactly where you'll be

(Chorus x1)
