As time goes on, I feel the morning light, it seems
Seems like I've been here far too long
Every time I feel this way
Thinking of you always makes me stay

So it goes on, and on, and on
Never saying how I feel
It goes on, and on, and on
Why won't I heal?

Said it goes on, and on, and on
Like a violent summer rain
It goes on, and on, and on
Can you feel my pain?

Things we said that night are gone
Now I wish I could have told you more
But sometimes words seem hard to find
'Cause now I've left myself behind

So it goes on, and on, and on
Never saying how I feel
It goes on, and on, and on
Why won't I heal?

Said it goes on, and on, and on
Like a violent summer rain
It goes on, and on, and on
Can you feel my pain?

Every night's the same, I have myself to blame
Cursing out and callin' out to me
Well, tell myself, it took more tears, it seems
I feel the pain coming back to me again

Said it goes on, and on, and on
Never saying how I feel
It goes on, and on, and on
Why won't I heal?

Said it goes on, and on, and on
Like a violent summer rain

It goes on, and on, and on
Can you feel my pain?

It goes on, and on, and on
Never saying how I feel
It goes on, and on, and on
Why won't I heal?

It goes on, and on, and on
Like a violent summer rain
It goes on, and on, and on
Can you feel my pain?
