Miracle born  
Baptized in lunas light  
The rain fell hard that day  
Silver misty rain  
The kye to galactica  
Behold, fantasia arise  
Secret land arise

Like a dream  
Falling into the skyline  
Tears we should cry  
Melted into the sea  
Virtual life life from another dimension  
I see the light  
Dawn of a crystal sky

Cherish the land  
The gates of ivory  
The mist that never cease  
Forsaken maidens cry  
Our vision utopia  
Behold, twilight arise  
Secret land arise

Like a dream  
Falling into the skyline  
Tears we should cry  
Melted into the sea  
Virtual life life from another dimension  
I see the light  
Dawn of a crystal sky

Triumph of gods  
Bow to infinite ones  
The fortune tales the past  
Immortal presence be  
The guide to eternity  
Behold, twilight arise  
Secret land arise

Like a dream  
Falling into the skyline

Tears we should cry  
Melted into the sea  
Virtual life life from another dimension  
I see the light  
Dawn of a crystal sky
