Well, we met upon a hill  
You know the night was cold  
And the air was kinda still  
All I needed was to look in her eyes  
No matter what would occur  
I was falling in love with her

You're all I'm thinking of  
But baby, your love's under suspicion  
You're much too confusing  
You never think of losing  
I said, ?Ooh, ooh?

She knows every way to please me  
Got me weak at the knees  
And I'm coming apart at the seams  
I got a feeling about the future  
And it ain't too good at all  
No, not at all

You're all I'm thinking of  
But baby, your love's under suspicion  
You're much too confusing  
You never think of losing  
I said, ?Ooh, ooh?

She's so deceiving, got me believing  
In things I can't understand  
She's so inviting, I can't help fighting it

She's so deceiving, got me believing  
In things I can't understand

Well, her lovin' gives me a thrill  
Every time I think back at  
That night upon the hill  
I thought I'd leave her cold but instead  
She left my blood hot  
And rising to my head

You're all I'm thinking of  
But baby, your love's under suspicion

You're much too confusing  
And I think I'm losing  
I said, ?Ooh, ooh?

You're much too confusing  
And I think I'm losing  
I said, ?Ooh, ooh?

You're much too confusing  
And I think I'm losing you
