Give me shoes to dance in, darlin'
Give me time alone
I'll make up steps we can do together
To songs that we both know
And if you hold me close while the sun's still shining
I'll give my night to you
Give me shoes to dance in, darlin'
And we'll try something new

Go and fetch your old companion
Play what's on your mind
I'll add my part, we'll blend together
Our hearts can keep the time
And now I'm giving myself and it's making me whole
I'm glad you're on my side
Give me shoes to dance in, darlin'
I'm so satisfied

Chorus
Tonight is just for fun
I've given my week to everyone
And I've got plans for you
There's nothing I won't try
'Cause being with you is my good time

Give me arms to dance in, darlin'
I'll spend my life with you
We'll dance across the summer mountains
From our front porch point of view
And now I've given myself and it's making me whole
Love is on our side
Give me arms to dance in, darlin'
I'm so satisfied

Chorus
