In The Middle Of Your Heart
BOB OLDREIVE

chorus

In the middle of your heart, you know what is true
In the middle of your heart, you know what to do
In the middle of the night, when all the searching starts
In the middle of the night, you'll find the middle of your
heart

I see in your eyes the love you keep inside
As you hold another's hand
There's so much I have to hide

chorus

Someday the time will come, and you will know the
truth
Every time we'd start again
My heart would search for you
