Nowhere But Gone  
BOB OLDREIVE

Put the top down on the T-Bird and we'll ride  
Count a million stars in the Bandera sky  
Cool breeze's blowin'  
Nowhere we're goin' but gone

Well, there's a cricket in the choir tonight  
Sings his song of romance courtin' his bride  
But we'll just keep on rollin'  
Nowhere we're goin' but gone

chorus  
It don't matter what we do  
Just as long as it's me and you  
It don't matter where we play  
We're gonna get there anyway

Quarter moon hangs in the sky  
Red hawk leaves a fence post and gracefully glides  
All creation showin'  
Nowhere we're goin' but gone
