[Jazze Pha] Ladies and gentlemen You are now tuned  
in to the very best of the Phin-vale Anton-tindale{?}  
[Chorus: Jazze Pha] You can't stop the boss - like a  
runaway train You can not stop me (stop me) I'm on go  
and still in the game You can not stop me - you can't  
stop the boss This ain't no red light district Green lights  
I fly by She say we look like pimpin I say baby you know  
you can't stop the boss [E-40] The definition of a boss,  
let me put you up on it B-O-S-S, Bread Over Sucker Shit  
Ain't too many left all the real ones done went away I'm  
built from a different brick, I'm carved from a different  
clay Be careful what you wish, play the game for what  
it's worth Cause bein a boss can be a gift and a curse,  
uhh Hope for the best but expect the worst They'd  
rather see you in a hearse than see you come in first  
I'm gettin gouda my nigga, I'm havin paper my fella  
Man I get to it my nigga, man makin revenue hella I'ma  
tell you like dis, like Kenny Red said I'm havin  
everything that a king should have (beitch!) [Chorus]  
[Snoop Dogg] I sell a dream I'm hella clean, this the life  
you wish fo' I'm comfortable, you can bump the flow  
Brains blew out, it's convertible White walls, plush seats  
I'm a boss at all costs, I must eat Vintage statute,  
grinnin at you Gold ones, continue spinnin at you I'm a  
heavyweight, look at how I levitate and perpetuate the  
rate of the Golden State My cousin Earl knew I'ma set it  
straight and set a date and meditate and regulate  
[Chorus] [Too \$hort] You can try But you can't stop me,  
I'll be doin alright Can't dilute cause I do it all night I've  
been rappin on the mic my whole life It's like I never  
stopped flowin, I keep goin like a river where it ends  
you never knowin I don't even think about it, I'm a  
workaholic I date pretty young girls with perfect bodies  
We bosses, gettin head in the office All I do is cash  
checks and take offers Ask Phalon, Calvin or Earl When  
you see me they be countin the girls [Chorus]
