Amigos unidos

Are you ready to go  
Be a part of the show  
Are you ready to blow your heterosexuality

Are you ready to fly, amigos  
Be a part of the sky, unidos  
Are you ready to die for Toro's right to set you free

We are amigos and nothing can stand in our way

Amigos unidos - jamas seran vencidos  
Amigos - en mi corazon  
Amigos unidos - jamas seran vencidos  
Amigos unidos por favor

We will go round the world  
Let the mission be heard  
We'll be spreading the word of Toro-sexuality

We are amigos no matter what people might say

Amigos unidos - jamas seran vencidos  
Amigos - en mi corazon  
Amigos unidos - jamas seran vencidos  
Amigos unidos por favor

Clouds are coming your way, amigos  
You'll be facing the day amigos  
When the love you knew has fade away

We'll be there by your side, together  
We'll be making it right, forever  
Open up your lonely heart and say

Amigos unidos€!
