Dildorado

Land of gold, so we're told
Where the rain never leaves you cold
Land of fun, number one
Where there is love enough for everyoneâ€¦!

We're on our way to Dildorado
Cause we're the people of delight
We're on our way to Dildorado
And we're going there tonight

We'll be touching the rainbow's end can't you see
So come along, and sing our song - to the Dildorado
beatâ€¦!

Skies of blue, over you
Spread your wings, spread'em like we do
Fly away, leave today
And find the answer to your wildest prayâ€¦!

We're on our way to Dildorado
Cause we're the people of delight
We're on our way to Dildorado
And we're going there tonight

We'll be touching the rainbow's end can't you see
So come along, and sing our song - to the Dildorado
beatâ€¦!

And when we reach higher ground
When Heaven's gate has been found
We're not afraid to turn around - to that soundâ€¦!

We're on our way to Dildoradoâ€¦!
