### "Close Your Eyes"

Visit "[Close Your Eyes](#)" on [MotoLyrics.com](http://MotoLyrics.com)

you can feel it  
underneath it  
you can't feel it  
when your screaming  
you can feel it  
you can feel it

so close your eyes until you fall asleep  
and dream of me  
[x2]

tell me its over now  
cause i know its over now  
so tell me its over now  
all i wanted was everything

you can feel it  
underneath it  
you can't feel it  
when your screaming  
you can feel it  
you can feel it

so close your eyes until you fall asleep  
and dream of me  
[x2]

tell me its over now  
cause i know its over now  
so tell me its over now  
cause i know its over now

catch you by surprise  
catch you by surprise  
lost control and you crossed the line  
catch you by surprise  
catch you by surprise  
call it off just to save your life

tell me its over now  
cause i know its over now

tell me its over now  
i know its over now  
tell me its over now (can feel it)  
i know its over now (can feel it)  
tell me its over now (can feel it)  
i know its over now..
