Hee how  
Hee how  
Hee how

One person calls someone  
To pour the water  
'Cause it takes two to pour the water

To plough takes two as well  
But only one to hold up the sky

To plough takes two as well  
But only one to hold up the sky

One plays the harp  
Beats a rock with a stick

One plays the harp  
Beats a rock with a stick  
Becomes a priest at least, a delicious demon  
Least a delicious demon

Hee how  
Hee how  
Hee how

Delicious demon  
Delicious demon  
Delicious demon  
Delicious demon

Two men need one money  
But one money needs no man  
One is on ones knees, loses ones head  
Except maybe a delicious demon, hee how

Two men need no money  
But one money needs no man

One is on ones knees  
Loses one head  
Except maybe a delicious demon

Then one is no longer  
Then one is no longer  
No longer

Delicious demon  
Delicious demon  
Demon  
Delicious, oh, here he comes again

Delicious demon  
Delicious demon  
Demon

So delicious
