You convinced me
That I am able
You make me strong
You're my vitamin
E> My pain is my pain
E> Your cure is vitamins
You're my sinking capsule
You're my vitamin...
E> I look at this pain of mine
E> I don't know what it is
E> You say I could have it easily
E> Fixed with some vitamins
Before the hair,
Before the skin,
You form a cell
You're my vitamin
E> My pain is my pain
E> Your cure is vitamins
E> If I try some of your pills,
E> Won't I have another pain?
E> You show me off in all these parties
E> So very proud of me

E> Telling everybody that I,
E> I am your little vitamin
E> You exit with me (??)
E> Like I was somebody
E> I am not your cure
E> To you I'm just another vitamin
E> I'm so confused
E> My pain is my pain
E> I don't know what it is
E> You say I can have it easily fixed with
E> With some vitamins
E> My pain is my pain,
E> Your cure is vitamins
E> In all these fancy parties
E> I won't have another pain
E> As a payment?
E> You want all of me
E> 'Cause I am your final cure
E> You show - show me off!
