[Background voice] "Impossibbbbbbbllllleeeee, take your love from me" [Verse One: E-Money Bags] I thought the Earth saw, saw it all I thought they wasn't ready for no more? It's time for a new beginning For every action, there's a reaction Lost in golden pyramids outside At first we were the 'havenotz' The hunger even had some go out and Bag watch But then the Jag dropped What the fuck I'm supposed to do? Go out and snatch blocks? And hand out bricks, connect and politic like a Jew I'd rather do it the classic way, like Cassius Clay I'm the next sub to do this nobody after me The sky's cracked with the force of my words Here's the lesson, we the ones ya'll forever knowin, hearing the essence Peep the planets how they all connecting And my clique next to spit, who they ressurecting? Yo check this shit, I ain't got lifetimes to recite lines the pipelines was sent to ya with the right mind let the light shine Keep ya shades on, cuz it's the ama'zon E-MoneyBags, Grand Imperial the label Check my vision I'm playing my part in this division Till we big time, engraved in stone we'll be printed,yo [Verse Two: Stretch] Pull a card, here comes the Squad Sure to bomb, never lost when I've sparred Its hard cuz I'm God! And comes off the top Don't they know a nigga got flavour Mad cuz I'm sharp as a razor Bockin' when I'm walkin', always tryna take a niggaz fucking picture Embarassed when my lawyers gettin with ya I'm robbin ya life, rather jumbo The thuggadon niggas, that incredible dope flow I remain smooth, cops can't find no evidence So I'll just laugh, look at my fucking dead presidents Sending me decoys with marked money frontin' yo What you need G? Nah, I ain't got nuttin' I say "Give up ya gun" Is what I tell em then I step wouldn't be top dog if I was one who slept So show respect I'm beyond that, livin' like Trump The only difference is a nigga's never in a slump Tax free is what it be G stacking while I'm macking The Squad is Big Time if you wanna be exactin' Dealin' with keys, you see these on the mad tip Act like you want it and we'll have to just wreck shit [Over Chorus] Kick rhymes, baby just recognise (Repeat) (Background voice)

"Impossibbbbbbllllleeeee, take your love from me"  
[Verse Three: Majesty] Check it We like master monks,  
moulding niggaz to perfection Target 4 corners,  
conquer every section Rizzers of the underworld, this  
Thug Nation We got our own codes, every type can  
relate to me And how we keep it? Deeper than the  
deepest secret, in the FBI files Organise to crack vials  
New Thug Order money getting submerged Cross the  
border, politic with peace pipes Puffin on that green  
water Fuck whatcha heard, we moving the birds  
Quantity large, busting at the sarge never follow me  
Extreme measures, to finance the movement Smash  
the diamond district, snatch the jewels quick My  
inspiration, hundred percent dedication Thug Nation  
be the final destination [Verse Four: 2Pac] Some say  
cracks the only way to get your papers Prepare to catch  
the vapours I'm violating niggas like a rapist The  
coppers couldn't catch us with a net the one you love to  
sweat how crooked can a motherfucker get?  
2Pacalypse Now's a real knucker I'm slick and quick to  
pick her upper After I fuck her then I duck her Young  
Gunz niggas got em frantic They just can't understand  
it We get wrecked across the planet Beeper goes off I  
hit the cellular Coppers wanna gat me, they can't sweat  
me so the hell wit cha! You get the dick quick while I'm  
getting rich, bitch Tried a lunatic, I flip and do some  
slick shit Nigga, I'm like Gotti, give me body Rob you  
for your drugs then put slugs in your hottie (Yeah!) And  
ain't nobody that can stop me I'm rollin' with the Squad  
motherfucker damn posse Come get your ass rolled  
up, I kid ya not this shit I got I'll have ya sewed up 16  
shots come and get mine Fuck you motherfuckers cuz  
I'm finally livin' Big Time! [Over Chorus] Kick rhymes,  
baby just recognise (Repeat) (Background voice)
