Welcome to the night  
And you will see you've got the magic power  
I am on my way, I keep the key to your tower

You can serve me something really hot  
Call it love or madness  
But you'll get the best of what I've got

Work your magic  
I never wanna lose this feeling  
I am able and I'm willing  
Yes, I'm willing

Work your magic  
You set my beating heart in motion  
When you cast your loving potion  
Loving potion

Baby, you can put your spell on me  
Makin' it slow and steady  
Maybe I can solve your mystery  
Are you ready?

We are standing closely skin to skin  
Playin' a very old game  
In this game of love you always win

Work your magic  
I never wanna lose this feeling  
I am able and I'm willing  
Yes, I'm willing

Work your magic  
You set my beating heart in motion  
When you cast your loving potion  
Over me

When you cast your loving potion  
Over me

So you work your magic

Baby, work your magic  
Keep my heart forever bound
