How long Iâ€™ll wait
Just to say goodbye
Ten different ways to enjoy this night
Canâ€™t do this anymore
Wonâ€™t feel you anymore

How long Iâ€™ll wait
Just to say goodbye
You could never let me in
Holding on until the end

The time I waste just to say goodbye
Out of your way
I could do this right
Canâ€™t see you anymore
Wonâ€™t feel you anymore

How long Iâ€™ll stay
Just to say goodbye, say goodbye

Leave it all the fights and all
Summerâ€™s getting colder
Drive all night to hold you tight
Back to California

Days went by
We waited and I guess weâ€™re getting older
We couldnâ€™t win in the end

Youâ€™re gone
Iâ€™m miles away
Turning out your lights
Ten different ways I could end this night
Canâ€™t do this anymore
Wonâ€™t feel you anymore

How long Iâ€™ll wait
Just to say goodbye, say goodbye

Leave it all the fights and all
Summerâ€™s getting colder
Drive all night to hold you tight

Back to California
Days went by
We waited and I guess we're getting older
We couldn't win in the end

You're gone
