Hey, I wanna crawl out of my skin  
Apologize for all my sins  
All the things I should have said to you  
Hey, I can't make it go away  
Over and over in my brain again  
All the things I should have said to you

*[Chorus:]*

Counting stars wishing I was okay  
Crashing down was my biggest mistake  
I never ever ever meant to hurt you

I only did what I had to  
Counting stars again

Hey, I'll take this day by day by day  
Under the covers I'm okay I guess  
Life's too short and i feel small

*[Chorus]*

Counting stars again  
Counting stars again  
Counting stars again  
Counting stars again  
Counting stars again
