Six days went by  
Trying to forget her face  
It was you and I  
We were to young for these games

And all the pictures that I kept  
And all the things I should have said  
It was you and I  
But mostly me

Lost in you  
And I can't find myself again  
Lost in you  
And I can't find myself again

Six weeks went by  
Still pretending that I'm fine  
It was you and I  
Holding back what's on our minds

And all the things I should have said  
And all the letters left unsent  
It was you and I

But mostly me

Lost in you  
And I can't find myself again  
Lost in you  
And I can't find myself again

Six months went by  
I almost forgot your face  
Till they played that song tonight  
The one we used to hate

Lost in you  
And I can't find myself again  
Lost in you  
And I can't find myself again

Lost in you(I'm lost in you)

And I can't find myself again  
Lost in you(I'm lost in you)  
And I can't find myself again

Again  
Again
