I've spent 20 years tryin to get out of this place
I was looking for something I couldn't replace
I was runnin' away from the only thing I've ever known
And like a blind dog without a bone
I was a gypsy lost in the twilight zone
I hijacked a rainbow and crashed into a pot of gold

I've been there done that and I aint lookin' back on the
seeds I've sown.

Saving dimes, spending too much time on the
telephone....

Who says you can't go home

Who says you can't go home

There's only one place they call me one of their own
Just a hometown boy born a rolling stone

Who says you can't go home

Who says you can't go back been all around the world
and as a matter of fact

There's only one place left I wanna go

Who says you can't go home

It's alright, it's alright, it's alright, it's alright, it's alright

I went as far as I could try'in to find a new face

There isn't one of these lines that I would erase

I left a million miles of memories on that road

And every step I take I know that I'm not alone

You take the home from the boy but not the boy from
his home

These are my streets the only life I've ever known

Who says you can't go home

Who says you can't go home

There's only one place they call me one of their own
Just a hometown boy born a rolling stone

Who says you can't go home

Who says you can't go back been all around the world
and as a matter of fact

There's only one place left I wanna go

Who says you can't go home

Guitar(solo)

Doesn't matter where you are
Doesn't matter where you go
If it's a million miles away
Or just a mile up the road
Take it in, take it with you when you go
Who says you can't go home

Who says you can't go back
Been all around the world
And as a matter of fact
There's only one place left I wanna go
Who says you can't go home
It's alright, it's alright, it's alright, it's alright, it's alright

Who says you can't go home
It's alright, it's alright, it's alright, it's alright, it's alright

Who says you can't go home
It's alright, it's alright, it's alright, it's alright, it's alright

Who says you can't go home!
