"I'm outside
you're outside
changing lights
saying this time
this time

yes I know
have to go
one last try
maybe this time
this time

slowly aging
time's not waiting
loss alone remains
say you're trying

darling I still

feel your hands let go
it has to mean something
I feel your hands let go
it's got to mean something
don't lie

why so still
why so pale
close your eyes
baby this time
this time

slowly fading
no one's staying
how could I pretend
say you're trying

darling I still

feel your hands let go
it's has to mean something
I feel your hands let go

it's got to mean something
don't lie
