Motherfuck that nigga, (motherfuck that bitch)  
SES the shit, you can't fuck with my click

[Carmen Sandiego]

My bitches be rolling on dubs, big bodies we got that  
These jackers try to get with it, my gat I cock back  
Now bust back, I hate to be the reason you gone  
I'm a bitch with anger problems, piss me off you so  
gone  
Now run home, see mama cause I ain't got time to play  
You fucking with SES, you done picked the wrong day  
Cause lately, my patience ain't what it use to be  
These hoe games you bitches playing, done got the  
best of me  
But not now, like Ray I'ma make you do what it do  
Carmen San' a gangsta bitch, now who the fuck are you  
I stay down with my niggaz E.S.G., Sin and Stacks  
And got drama for a bitch, if she got a problem with  
that  
Now where you at hoe, now where you at hoe  
Don't make me blow a fucking hole, in your back hoe  
It's like that bitch, it's like that bitch  
I took your nigga fucked him down, cause I'm a bad  
bitch

[Hook]

[Brandon Stacks]

Now what's the fucking problem, why these bitch  
niggaz ain't moving  
Guess they won't get the picture, till they see they  
blood oozing  
See I love this rap shit, but I love that beef shit mo'  
You get X'd out with mo' X's, than tic-tac-toe  
Oh you ain't know who you fucking with, it's SES bitch  
Let the fans be the judge, who the number one draft  
picks

You don't want no street shit, knock one out and ask  
who's next  
Then shoot a innocent bystander, for throwing up his  
set  
First you lose your chain, then you lose your watch next  
And this here, cause you bitch niggaz wanted plex  
I see you, fighting for your life all night  
Wife and kids praying, knowing your future don't look  
bright  
We drag niggaz out the club, and let the laws sort em  
out  
Same night we chilling smoking, don't even know what  
it was about  
Cause when you fucking with my click, you done  
crossed the line  
Lost your mind, now you looking sloppy lost your grind  
bitch nigga

[Hook]

[E.S.G.]

Niggaz I ain't seen in a minute, still running they mouth  
They ain't seen what I'm driving, they ain't seen my  
house  
Fuck this ice in my mouth, I'm a C.E.O.  
Politic'ing in New York, trying to get mo' do'  
You know two hundred G's I'm stashing that, bent like  
free I'm mashing that  
(and why you ain't sign with Slim Thug), stop asking  
that  
No plex with it, or less respect with it  
And start dragging have my check, it's gon be less  
digits  
Yup niggaz still hate from back in the day, deadly  
combo like Shaq and Wade  
On the street y'all acting hard, behind the bars y'all  
acting gay  
Ask them labels majors say, yep I bring a lot of fire  
Grown man amongst boys, this a younger Stoudemire  
And I ain't talking bout Damon, I mean Amare  
Thought I wouldn't bounce back, bitch niggaz sorry  
V-I-C-T-O-R-Y  
Y'all can't have it, na-na-na-na-na

[Hook]

[Swiftface]

Real life type, fuck the hype type  
Get the do' and go, I slick the shife type  
Living my life, running red lights  
Selling blow you ain't know, stay out the FED's sight

Cut the check nigga, nothing less nigga  
Diamonds is still relentless, what you expect nigga  
They say the streets heated, I'm what the streets  
needed  
Got a hunger for this hustle, shit then let me feed it  
They dranked out and weeded, and bitches been  
depleted  
But miss me with that show shit, I high speeded  
I want it all nigga, it's time to ball nigga  
Ain't a Muslim but trust him, the final call nigga  
This is for my dog niggaz, I'm back to hog with ya  
If I squeeze seventeen, I mean they all hit ya  
In a dead rush, to get your head bust  
SES don't plex, they can't fuck with us

[Hook]
