I am the king of the rappin' thing but love is really my  
game  
And when it comes to gettin' the finest chicks  
I put all the other rappers to shame  
The ladies scream when I'm on the scene  
They love my 280-Z and when the party's over they  
stand in line  
To go home with the Master G, ha ha hah

This is for the lover in you  
The lover in you, I know she's in there somewhere  
This is for the lover in you  
Ah, for the lover in you

Whoa honey, can't you see, yeah  
It's the lover, in me  
Who wants to make love to the lover in you  
The lover in you, to the lover in you

Don't be misled by what I said, there's one thing  
beyond a doubt  
Inside every rapper there's a lover who's tryin' to get  
out  
So let's make a start, unlock your heart, this is, the  
place to be  
And as we're movin', to the music groovin'  
You'll bring out, the lover in me, sing it gang

This is for the lover in you, the lover in you  
I know she's in there somewhere  
This is for the lover in you  
Ah, for the lover in you

Whoa honey, can't you see, yeah  
It's the lover, in me  
Who wants to make love to the lover in you  
The lover in you, to the lover in you

Won't you give her a shout ?  
Tell her to come on out, got a job, for her to do  
You know I'm talkin' about the lover in you  
The lover in you, the lover in you

The lover in you, the lover in you

If there's a party in any town  
You know the Sugarhill Gang will throw down  
With yours truly, the Master G  
And the brothers who rap so sensuously  
It's got to be mellow

Got ta be right  
We are the original Rapper's Delight  
And love, is what we're talkin' about  
So c'mon gang, ah, let's take it on out  
Everybody now

This is for the lover in you, the lover in you  
(Well, mmm)  
I know she's in there somewhere  
This is for the lover in you  
(Well)  
For the lover in you

This is for the lover in you, the lover in you  
I know she's in there somewhere  
This is for the lover in you  
For the lover in you

I wanna be your L O V E R  
Ah, let me be your L O V E R  
Gotta be your L O V E R

So this is for the lover in you, the lover in you  
I know she's in there somewhere  
This is for the lover in you  
For the lover in you

Won't you give her a shout?  
Tell her to come on out  
Got a job, for her, to do  
You know I'm talkin' about the lover in you  
This is for the lover in you, for the lover in you

I know she's in there somewhere  
This is for the lover in you  
Ah, for the lover in you

This is for the lover in you, for the lover in you  
I know she's in there somewhere  
This is for the lover in you  
(Nnh)  
For the lover in you, whoa, yeah
