Title: Guilty of the crime

You're the only one who's ever heard my song
I might be lonely now, but I won't be lonely long
Take a look at me, baby
Tell me, what do you see?
Take a look at me, baby
You're lookin' at the brand new me

I'm like a total stranger knockin' at your door
No need to worry 'bout the way I was before
It's a new love story
So read every line
You be the judge and the jury
I'm guilty of the crime

I'm guilty of, guilty of the crime
Of lovin' you, baby
Guilty of, guilty of the crime

I'm savin' all my lovin' just for you
'Cause there's nothin' more that I would rather do
It's a new love story
Got to read every line
You be the judge and the jury
I'm guilty of the crime

I'm guilty of, guilty of the crime
Of lovin' you, baby
Guilty of, guilty of the crime
Of lovin' you, baby
Guilty of, guilty of the crime
Yes, I'm guilty of, guilty of the crime
Of lovin' you, lovin' you

I'm guilty of, guilty of the crime
Yes I'm guilty of, guilty of the crime
